

## RBMS Controlled Vocabulary Subcommittee

ALA Midwinter, January 20, 2012

Part 1: 1:30 - 5:00 pm, Sheraton Dallas Hotel - Trinity 3

Part 2: 7:30 - 9:30 pm, Sheraton Dallas Hotel - Trinity 3

### Agenda

1. Relator terms in TemaTres. Please review the site prior to the meeting: <http://rbms.info/vocabulary/relator/index.php>

Note the way in which non-preferred terms with multiple references are treated. They are not collapsed onto a single record; rather a new record is created for the term to represent each reference. See “copier” for an example of this.

2. Review feedback on draft scope notes from digress.it blog (<http://rbms.info/digress/genrescopenotes/>) and finalize scope notes (a printable summary was sent to subcommittee members and volunteers).

3. New proposals
